

Map of delivery route:

The route

Due to road constraints and the sheer size of the 235 tonne lorry; it will have to take an indirect route to Iron Acton substation.

The lorry will:

- Leave Avonmouth docks via Crowley Way
- From Crowley Way, take the M5 onto the 18A
- It will then head north on the M49
- At J22, the lorry will take the M4 eastbound
- It will then take J20 to join the M5 northbound
- The lorry will take J13 and travel south on the M5
- At J14 it will turn onto the B4509
- It will travel on the B4509 and at the second crossroads take the B4058
- The lorry will travel the B4058 and then take a left turn onto the B4059
- At the crossroads it will then turn south and continue on the B4059
- It will then turn onto Latteridge Lane
- Finally, it will turn onto Larks Lane where it will reach its destination

Securing our energy supply for future generations.
